GREETINGS FROM THE MABERLY FAIR PRESIDENT

Welcome to Maberly fair 2022. Firstly I would like to give a tremendous thank you to Bill Cameron and Rosetta McInnes for their leadership in keeping the Agricultural Society active throughout the Covid ordeal, making the production of this year’s fair much easier. As we are gearing up we are anticipating the 4-H show, light horse show, the horse draw, various hall exhibitors and the famous zucchini races to name a few. It takes many volunteers to make the fair run smoothly and successfully. The Board of Directors welcome anyone that would like to see the fair continue for years to come to step forward as you are the future success. Thank you to all that have made Maberly Fair the best one day fair that we could ask for. We look forward to renewing friendships that are vital to the fair. See you on Aug. 27 th , 2022.

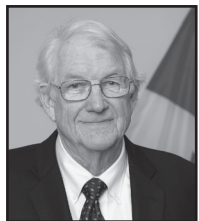

Gordon Patterson
President Maberly Agricultural Society

GREETINGS FROM OUR REEVE

After a 2 year break, it is certainly great to see this fair in our community happening once again. I would personally like to thank all those involved, and I do hope the community will come out to support the Maberly fair once again. It is a great opportunity to meet new and old friends and to enjoy the many activities and good food. I do hope everyone has a great day at the fair and I look forward to seeing everyone at the Maberly fair

Brian Campbell
Reeve of Tay Valley Township

GREETINGS FROM OUR DEPUTY REEVE:

Do not miss the return of the Historic Maberly Fair, a signature celebration that brings to life the essence of our historic rural community. Unique events that all family members can observe or participate in for a great day, full of agriculture, crafts, the famous heavy horse pull and nonstop musical performances by local amateur and professional talent. Build and fine tune your zucchini race car and get off to the races and challenge another builder. Check out the events calendar, I look forward to seeing you there.

Barrie Crampton,
Deputy Reeve of Tay Valley,
the community that celebrates our rural heritage.

17. While the Directors will take precautions under the circumstances to ensure the safety of the articles sent to the exhibition, owners themselves must take the risk of exhibiting them and should any articles be accidentally injured, lost or stolen, the Directors will give all assistance in their power towards the recovery of the same, but will not make any payment on the value thereof.

(full write up in our 2021 fair book)

Earle Lawson Parks
14 May 1945 – 16 Sept 2021
Board of Director & Life Time Member of Maberly Fair

Earle Parks was a volunteer for many years and was on the Board as a Director. We could always count on him if we needed help. He was born and raised in Maberly and came by helping the fair board naturally as his mother was a great lady to enter all manner of cooking, sewing etc. Bessie May Parks also passed in August of 2020. Earle's wife Cheryl remains on the fair board today and is also a great baker. Earle's towering presence shall be keenly missed at the fair this year.

Helen "Lorraine" (Clark) Fournier
June 21, 1924 – February 26, 2022
Member of Maberly Fair Board – 69 years
Honourary & Life Time Member

What can be said about a quiet lady who always worked alongside others? She did not need to be front and center but you knew the job would get done if Lorraine was there. She helped co-ordinate the baking section for many years, she assisted with the euchre parties and she entered many an item in the fair. A western gal and a corner post in our society winged her way quietly to heaven this year. Maberly Fair will never be the same without her on the grounds.

The History of **MABERLY FAIR**

Maberly fair began in 1882 and by the year 1885 the community of Maberly established a fairground. In 1901 the Maberly Agricultural Society purchased two more acres of land from John and Elizabeth Morrow. In 1912 they again enlarged the grounds by adding another strip bought from Margaret and Winnifred Korry. In 1961 another parcel was bought from Cyril Moore and Herb Buchanan. All lands purchased back then cost the society less than \$500.00. The fairgrounds can be viewed just off Hwy 7 on the Bolingbroke Road, Maberly, ON.

On the grounds you will find a Quonset hut, heritage building, sugar shack, Diagon Alley, Kennett building, the office, poultry and cattle shed, along with a horse draw track. If you are really into nostalgia the grounds still has two outside facilities, one for men and one for women. In 1932 the Heritage building was blown away in a wind storm and by 1933 it had been rebuilt. In 1970 the old dining hall roof fell in due to heavy snows and by 1972 the Quonset building was erected. 1976 lights were installed on the ground and in 1979 we had running water. 1982 was the fair's centennial year and new front gate pillars were erected. 1994 the Kennett building was in use with inside washrooms installed by 1997. The secretary had an actual office by 1997 and moved from the exhibit hall. Also in 1997 bleachers were built at the back of the grounds for the horse draw. In 1999 Gordon Patterson had a cattle shed erected and again in 2019 had it extended. He also had sheep pens built in 2017. Fred Barrett had a sugar shack erected in 2001 along with a poultry barn. Bill Kennett built Diagon Alley in 2002. In 2009 an outdoor stage was erected and Joanne Wesley was instrumental in getting bleachers with a roof at the light horse show.

In 1894 the elation of the fair was seriously dampened by the death of William E. Moore, secretary of the fair. He was only 28 years old. In 1915 on fair day the Perth Courier noted "during the Maberly Fair smoke was noticed north of the village – John Charlton lost his buildings, hay and machinery." Most fairgoers left to fight the fire so you can imagine it was a very sad fair day. In 1929 and again in 1931 the Maberly Fair was cancelled due to economic times of the depression. In 2018 the treasurer, Bonnie Palmer, absconded with all monies leaving the fair destitute. She was tried and convicted, yet the fair has made a full recovery. Not all fair times were good times.

Entertainment has always been at the heart of the fair. Horse racing, driving competition and horse draws were always crowd pleasers. John Charlton had a chestnut mare named May who won many a racing competition and lived to the ripe old age of 32. In 1898 R.J. Duffy took 2nd place in the gentleman driver award. They had awards for the homeliest driver, the poorest team and the poorest outfit. In 1923 Laura Armstrong won a bible for being best lady driver. In 1993 Bob & Marlene Ambler showed horses in the Heavy Horse show and won Best Draft Horse. In 2009 Wayne Wesley hosted zucchini races for children and it is a much anticipated event. For many years the fair was capped off by a country music dance which was a fitting way to end a good old fashioned country fair. The fair still ends with music on the stage but sadly no dancing unless you wish to dance on the grounds.

The fair was established so that farmers brought their choice fruits, vegetables and livestock to vie against each other for prizes. The women too brought their butter, eggs, soap, hand pieced quilts and all forms of handicraft and competition was keen. In 1894 John Morrow dug a potato to enter weighing 4 1/4 lbs so one can assume he won the biggest potato competition. In 1988 Della McGinnis at the age of 90 accumulated the most points in bottled goods and won with her homemade bread. Ken and Sandy Parks have supremacy in winning most

points in Horticultural and have not been usurped for many a year. There are many friendships forged and bonded at the Maberly Fair and throughout the years there are many familiar names: Ambler, Briggs, Buchanan's, Charlton's, Corley, Downs, Duffy, Ferguson, Fournier, French, Greer, Korry, Laidley, McDonnell, Moore, Morrow, Munro, Parks, Patterson, Pospisil, Thomlison, Van Alstine, Wesley, Ure, and the list goes on and on. Jack Charlton President in 1961-1962 is our longest surviving fair member and Dayle Van Alstine was our longest serving secretary holding the position for 18 years.

HORTICULTURE

Theme for the 141st Maberly Fair is "Bugs the good, the bad and the Lovely". Hay and grains and horticulture classes of vegetables, fruits and flowers will be displayed in the new exhibit hall, except for Section 50 and Class 27, which will be in Diagon Alley. All exhibits are to be placed ready for judging, between 6:00 pm and 9:00 pm Friday. Entries are accepted on the understanding that the judge may, if need be, cut a sample from the exhibit. Fruit and vegetables are to be displayed on firm, plain white cardboard or paper plates; cut flowers in water in clear glass or plastic containers that show immersed portion of plant. Paper plates will be provided if needed.

JUDGING STANDARDS

Ontario Judging and Exhibiting Standards (OJES), previously called Publication 34, published by the Ontario Horticultural Association (OHA) provide detailed guidelines and judging standards for horticultural competitions and flower shows. Copies at \$10.00 each. An order form for this and any other publication of the OHA is available at the OHA website: gardenontario.org Please contact the Supplies coordinator, Rose Odell by email at supplies@gardenontario.org if you have any questions.

THE MASTER GARDENER PROGRAM

Master gardeners are trained and experienced gardeners who volunteer their time to provide gardening information. They provide lectures and news articles, answer specific gardening problems, run clinics and workshops, conduct gardening courses, and organize garden tours.

Master Gardeners Ontario was formed in 1985 with assistance of the Ontario Ministry of Agriculture and Food. It was incorporated in 1997 as a separate body and is now funded by local volunteer fund raising. The local group, LANARK COUNTY MASTER GARDENERS, maintains about 20 members, training 2 - 4 new members each year. Coordinator of the Group is Dale Odorizzi, 613-264-8135.

TROPHIES

The Carl Ferguson Trophy is awarded annually to the exhibitor winning the most points in the Hay & Grains, Class 22 and Vegetables, Class 23. The trophy is sponsored by Tay Valley Township in recognition of Carl Ferguson's contribution to the Fair and to the Community. The winner's name will be engraved on the trophy and a miniature keeper trophy will be given.

Apple Pie

8-9 medium tart apples sliced
 $\frac{3}{4}$ cup sugar
(if apples really sour use 1 cup)
Sprinkle of cinnamon
Dab of butter

Slice apples into a 9 inch uncooked pie shell. Heap them up as they will shrink in your shell while cooking. Spread your cup of sugar over top of your apples. Sprinkle cinnamon over the sugar (as much or as little as you wish) Dot with butter. Cover with your second pie shell and bake in 350 degree oven for approx. 1 hour or until you think apples are cooked.

Pastry for double crust 9 inch pie shell

2 cups flour
 $\frac{2}{3}$ cup pork fat (lard)
 $\frac{1}{4}$ tsp baking powder
 $\frac{1}{4}$ tsp salt
5-7 tablespoons cold water or
enough to hold dough together

Sift together flour, baking powder and salt into bowl. Cut in the lard with a fork or pastry chopper until pieces are crumbled. Sprinkle in water until dough is moistened and form dough into a ball for each crust. On a lightly floured surface, flatten dough and roll to approximately $\frac{1}{8}$ inch thick. Slide dough into a 9" pie pan. Put in your filling and cover with second crust.
