GREETINGS FROM THE MABERLY FAIR PRESIDENT

As the new President of Maberly Fair this year I look forward to putting on a great fair for everyone. We will have the old favourites like the 4-H sheep and cattle show, light horse show, horse draw, famous zucchini races and of course all the hall exhibits. New this year we will hold the 4-H Market Lamb auction and have an axe throwing exhibit on the grounds. It takes many volunteers to run a fair and I thank everyone for their support. The fair board welcomes you to our grounds on Aug. 26th. We hope you come, renew old friendships and celebrate the end of summer with a great country fair. Let's see our Maberly Fair tradition continue for years to come.

Rob Munro
President Maberly Agricultural Society

GREETINGS FROM OUR REEVE

The Maberly Agricultural Fair is one of the most important annual events in Tay Valley Township. Drawing hundreds of residents and visitors to our community, the Fair is a celebration of rural living, generally, and of agriculture and farm life, specifically. There is always a lot to take in and enjoy, and to be thankful for as well. In that spirit, the Township is deeply grateful for the tremendous volunteer effort to stage the Fair year after year. We thank all of the volunteers, the farmers who bring their animals and/or their products to the Fair, and the many artisans, too, who grace the Fair with their creations. We look forward to August 26 th this year, and to another successful Fair!

Rob Rainer, Reeve
Tay Valley Township

GREETINGS FROM OUR DEPUTY REEVE:

I am honoured to represent Tay Valley Township as your Deputy Reeve and hope to see you at the Maberly Fair once again this year. We are very thankful and privileged to have all the volunteers who work yearlong to put this fair on. It is a great time to meet old and new friends and reminisce. I hope everyone enjoys the cattle, horse shows and the many years of the horse draw as one of my favourites. For a day of relaxing with good food and entertainment for everyone, I hope to see you there.

Your Deputy Reeve - Tay Valley Township
Fred Dobbie

GREETINGS FROM COUNCILLOR ANDREW KENDRICK

Kudos to all of the volunteers who have helped to put together this year's Maberly Fair. This is always one of the highlights of the summer, with something for all ages and every interest. I encourage you to enter one of the competitions, or just to soak up the atmosphere built on over 140 years of tradition. I look forward to being there myself; to renewing old friendships and to building new ones.

Best regards
Andrew Kendrick - Councillor, Tay Valley Township

GREETINGS FROM COUNCILLOR WAYNE BAKER

Once again it's our favourite time of year, it's time for the Maberly Fair. This one day event is a true example of a rural community coming together for a fun filled, social event. You can see livestock shows, cows, sheep, chickens and of course horses, take in the baking and crafts exhibit, zucchini races and of course the renowned Heavy Horse Pull along with many other activities. Of course none of this could happen without many volunteers and all involved. I wish to personally thank them. I look forward to seeing everyone at the Maberly Fair.

Best regards
Wayne Baker
Councillor, Tay Valley Township

Kenneth Crawford
8 Dec 1981 – 6 Feb 2023
Co-ordinator of Poultry, 2015 - 2022

Ken Crawford of Mountain Grove began showing his various poultry at our fair. He often came away the winner as he had a variety of birds. Ken then decided he would showcase his birds instead of entering and would help co-ordinate the poultry section. His knowledge and help will be missed at the poultry barn this year.

Bethel Women's Institute **Nov. 1937 – June 2023**

The Bethel Women's Institute folded this year, 2023. In November 1937 twelve local ladies met and formed a branch of the Women's Institute which is a worldwide organization. Some of these ladies last names were: Allan, Avery, Charlton, Ferguson, MacIntosh, Malcolm, Matheson, McGinnis and Norris. In 2023 there are only a few ladies in the Bethel Branch. Members are Dayle Van Alstine, Rosetta McInnes, Josephine Van Alstine, Edith Beaulieu, Betty Kelford, Eleanor Munro, Diane HERNs and Rosemary Kralik. There is just not enough interest in our branch anymore and like the rest of the Womens Institute branches in Lanark County we have closed up shop. Now if you notice the Bethel Womens Institute ladies names will also be found on the board of the Maberly Fair. The ladies always did double duty. The Bethel Women's Institute always lent a hand to the fair, with their baking and sewing work etc. They raised a lot of money for the building fund in 1993 and sponsored the OAAS poster section for many years. They also raffled off quilts, put on demonstrations and displays and participated in the parade at the Maberly Fair. Way back in the day if you were the wife of a fair board member you were probably also an Institute Member. W.I. still stands as a proud organization in the Province of Ontario but sadly no longer in Lanark County. The Maberly Fair Board appreciates all the help over the years from the members of Bethel W.I. It is sad to see this organization fold but change happens. The fair board will miss the ladies who were always there to help in any way possible. Thank you for being our right hand over the years ladies.

Personalities of the Fair

Over the years there have been many friendships forged while attending the Maberly Fair. We have had many a laugh and people have had many serious discussions while debating the merits of the fair. We have had some colourful characters on our grounds and some very serious folks. Regardless of their personality they all attended the fairgrounds just to see who was and wasn't there.

For example there were three gentlemen bachelors who attended. This was their social outing and every year bought new jeans and shirts to wear to the fair. The Burke brothers, Edwin, Cecil and Stewart never missed a heavy horse show or horse draw. It was the highlight of their day as the draft hitch was their favourite. Another bachelor who never missed a fair was Willard Larmon, so serious but he always enjoyed just getting out and talking to people. Arnold Ure was also a bachelor and our night watchman at the fairgrounds for many years. He had to keep those young Maberly boys from sneaking in and swiping a pie back in the day.

Of course we cannot forget the women of the fair. Della McGinnis at the age of 90 won most points for her bottled goods and homemade bread in 1988. She was very dedicated to the fair always baking and cooking in the kitchen. A little short woman who was as sweet as her baking. Another lady was a farmer, loved her cattle and yet could bake a mean pie. Bessie Parks at age 88 finished in the top 10 at the 2009 Ottawa SuperEx, Ottawa Valley Pie Baking Contest. Then of course there was Carmel Parks who was our very first female President of the fair. We also had a treasurer, Joan Fleming who was a treasure and always kept you in stitches.

Another two who could keep you intrigued were Murray Moodie who announced the horse draw and Stirling Laffin who owned a team of horses. As one person put it Stirling Laffin was like a little banty rooster prancing around especially if he won.

Now today we still have some great men and women at the fairgrounds. We are a volunteer organization and sometimes they just do the work never asking for accolades. Take the brothers Ballantyne, John and Herb. They keep our grounds in tip top shape and also do a lot of painting on the buildings etc. They keep the secretary's office in good shape – that's always a bonus. President Rob Munro was instrumental in getting the new horse draw track and keeps it running smoothly. Paul Pospisil kept us on the straight and narrow by creating our very first policy manual and constitution for the fair. He did a lot of work on improving our horticultural displays. He is missed. Bill Cameron is also a good man to have around and if you need something Bill will find it. He is always there to lend a hand at whatever is needed. Fred Barrett is always at the syrup and honey and keeps our water flowing. The Patterson's – it wouldn't be a fair if someone from that clan were not on the grounds. Then of course you have Ken and Sandy Parks who reign supreme over our horticulture section for the last how many years. Marlene Ambler is another great fair member who keeps the Kennett building in shape along with Sandra Hannah. We do get a lot of great people on our grounds and we thank you for attending every year.

There are so many others that have kept our fair going over the years – too many to mention. People like Bob McVeigh who show cases his miniatures and Wayne and Joanne Wesley who delight the children with the zucchini races. Wayne had a vision and worked hard to bring it to fruition.

Other fairs saw his success and copied his idea. The Ritchie brothers Brandon and Jarrett are always on the grounds. The fair brings out families. It would not be a fair without good food and Holly Kirkham does us proud at the food booth.

Maberly Fair has stayed true to its roots and has a vision to keep going for years to come. Let's make it happen.
